Amélioration

Thymio s'allume en rouge lors de l'enregistrement et en bleu lors de la lecture.

```
when green flag clicked
  when arrow key is pressed
    if arrow key is pressed forward
      turn lights on with color red
      record sound for 4 seconds
    if arrow key is pressed backward
      turn lights on with color blue
      delete recorded sound
```
